Prohibition on redisclosure: This information which has been disclosed to you from confidential records is protected by federal law. Federal regulations (42 CFR part 2) prohibit you from making any further disclosure of this information except with the specific written consent of the person to whom it pertains. A general authorization for the release of medical or other information if held by another party is not sufficient for this purpose. Federal regulations state that any person who violated any provision of this law shall be fined not more than \$500 in the case of a first offense, and not more than \$5000 in the case of each subsequent offense.
